### Upcoming Events

**Open House** - Our school is hosting an Open House tomorrow evening from 5:30pm - 7pm. Families are invited to come tour our school and learn more about the amazing education we offer students. Your invitation and testimony to others is the best way for our school to grow! We will have teachers available to speak with from all levels, from Preschool to Middle School. We hope to see *you* there, and some new faces, too!

**Veterans Day** - Please invite every veteran you know to our school program this Friday! We will begin with Mass in the church at 8:30am, then move to the Gym for a musical celebration of all of the heroes who have served the United States. Students are invited to dress in a red, white or blue shirt with uniform bottoms to help celebrate this occasion (please follow out of uniform guidelines).

**Turkey Bingo** - Join us for Turkey Bingo on Saturday evening! The fun starts at 5pm in the Church gathering space! See the attached flier for more information.

**Breakfast with St. Nicholas** - We hope you set aside time on Sunday, Dec. 3rd to come and enjoy a pancake breakfast with Saint Nicholas from 9am-12:30pm! The Knights of Columbus will prepare the delicious breakfast, and there will be time for pictures and fun for everyone!

## Mrs. B.'s Bulletin

One of my main goals as principal is to ensure every child gets what he or she needs. This goal is at the forefront of my decision making, and it's one of the reasons I want to spread the word about Transfiguration. Our school is a place where each child is truly known, from Preschool on up. This is also the reason our school goes through eighth grade, rather than fifth. Middle School years are tumultuous, to say the least, and when the child is in a place where they are already known, they are much safer to make mistakes and develop into the saints they are called to be. Please help us reach out to new families and invite them to our Open House tomorrow evening!

I am also excited about our Veterans Day program! Mrs. Van Havermaet has put together a spectacular array of patriotic music to celebrate all of those who have answered the call to serve our country. There are a few things that bring tears to my eyes quickly; hearing our national anthem sung by children is one of them. I hope many veterans and families can join us!
