Congratulations!

Transfiguration students raised a total of \$11,771 with the Catholic United Financial raffle! That blows the top off of our goal of \$10,000 and it means that *someone* will have to get a pie in the face at our assembly Thursday afternoon. Great job! Reminder - the drawing is Thursday at 11am! You can watch it here: [Raffle](#)

Request - In order to streamline communication, we are asking each family to complete a short survey. If you have not had a chance to do this, please follow this link to complete it now: [Survey](#)

Mrs. B.'s Bulletin

As students begin their break on Friday, teachers and staff will be gathering to learn more about mental health, including trauma. Since Covid, the number of mental health issues experienced by children has skyrocketed, and I want to make sure we are in a position to help any child effectively.

I do hope families are able to spend time just being together over break. Whether it is a long awaited vacation or a snuggle at home on the couch, we need this time to reconnect with each other. I pray that all families have a safe and healthy break!

WE DID IT!
