Mrs. B.'s Bulletin

While the eclipse was a bit of a bust in Minnesota, the students certainly enjoyed learning about the amazing beauty and wonder of our solar system! Several students even watched the eclipse live streamed. It is exciting to experience such a rare and unifying event!

Speaking of unifying events...several of our students are preparing for the sacraments of Confirmation or First Holy Communion. Next Monday several eighth graders will be sealed with the Holy Spirit at the Cathedral. The following weekend will see many students receive Jesus for the first time. Father reminded us this week at Mass that we are all brothers and sisters in this Catholic Christian family, and that we should pray for each other, celebrate together, and support each other as family. Please pray for these students, their families, and the Church around the world!
