

TRANSFIGURATION

*Leading all those in the East Metro to Christ,
the Source and Summit of our daily and eternal lives.*

Transfiguration Catholic School Newsletter April 24, 2024

A Prayer for Our School (written by Third Grade)

God our Father, thank you for Creation. Jesus our Shepherd, thank you for dying and rising for us. Holy Spirit, thank you for your action on Earth. Please bring all souls to you in Heaven. Amen.

Special Dates

Thursday, April 25	Women's Night Bingo, 6:30-8pm, Gathering Space
Monday, April 29	No School – Professional Development
Tuesday, April 30	All School Mass with Bishop Williams, 8:30AM. NWEA Testing begins.
Wednesday, May 8	Family Fun Night, 5:30-7:30PM
Thursday, May 23	Grandparents – Music and Fine Arts Night

Upcoming Events

Bingo Night - All women are invited to Women's Night Bingo in the Gathering Space of the Church Thursday evening from 6:30-8pm. There will be a fun community, bingo and chocolate!

Family Fun Night - All families are invited to our family fun night! Last year we held a Mother/Son Game Night and Father/Daughter Dance, but we found out some girls really wanted to play games with their dad, and some boys really wanted to dance with their moms, so we have combined them! There will be dancing in the gym and games in the library! This free event will be held Wednesday evening, May 8th, from 5:30-7:30pm. We hope everyone can join us! Please RSVP to tiger@transfigurationmn.org to let us know if you are able to make it!

Grandparents Day - On May 23rd we will celebrate Grandparents Day! The day will include a special Mass and activities. Please mark your calendar!

First Annual Tiger Classic - Our Transfiguration Golf Tournament will be Saturday, June 22nd. The tournament takes place at Applewood Golf Course in Stillwater, Minnesota. Come for the lunch, silent auction, program, and prizes! To learn more, register, sponsor or donate, click [here](#)

Reminders

Health News - Students have been coming down with repeat cases of illnesses lately. Here are some tips from health professionals if your child is ill:

- Change your toothbrush - this is a common culprit for reinfecting people when they are sick. If you are taking medication, change or sterilize your toothbrush after two doses.
- Switch out towels frequently - Hand and bath towels are also common sources for spreading contagions
- Wash water bottles frequently
- Return when ready - oftentimes children will appear back to normal in the morning, but they are feeling ill again after a couple of hours. It can be hard to tell when a child is ready to return; however, coming back too quickly can prolong the illness

TRANSFIGURATION

Water Bottles - Just a reminder that water bottles should contain plain water only. Students should not have fruit, juice, soda, or flavorings in their water bottle. This is for the health of our students and for protection of materials and surfaces when they spill.

Mrs. B.'s Bulletin

Our Transfiguration school community extends beyond our current students and families. With 70 years of academic excellence, there are Tigers everywhere! To honor this, we are continuing to reach out to families and alumni, so we can stay connected. If someone you know walked the halls of Transfiguration, we would love to hear from them!

In this spirit, I am also very excited to be welcoming grandparents on Thursday, May 23rd. This tradition had to stop due to COVID, but it has been sorely missed. Grandparents do so much to support our students, and we want to host a special time just for them to see how their grandchildren are thriving here. I hope we are able to welcome many guests!
