### Mrs. B.'s Bulletin

Easter is such a joyful time of year for Catholics! This week we have been celebrating Easter, and the coming weeks bring the sacraments of Confirmation and First Eucharist for many of our students. Please keep these students and families in your prayers!

We are also entering the heart of third Trimester, and we are noticing some students are having difficulty staying focused. While common at this time of year, since Minnesotans are finally able to go outside with fewer layers, there is still work to be done before being fully prepared for the next level. Please encourage your children to maintain their homework schedules and habits and be sure to ask what they are learning. Students have worked hard this year, please help them to finish strong!
