### Upcoming Events

**Curriculum Night** - Tomorrow night teachers are excited to speak to parents regarding curriculum and expectations in each grade. There will be two classroom sessions where parents are invited to go to their child's classroom for most grades. However, Middle School will only have one session at 6:30pm; Fifth and Third grades will only have one session, at 7pm. We hope to see you there!

**Rosary Procession** - Transfiguration school will be holding a special Rosary event on October 6th in honor of the Month of the Holy Rosary. This special prayer service is open to families and parishioners. The Rosary will begin at 1:50pm and finish around 2:30pm. We would love for you to come if you are able!

**Walk-A-Thon** - Our first major fundraiser of the year is in full swing, and students are Going for the Gold! Information went home earlier this week about this Olympic themed event, and students are welcome to bring in their money any day between now and October 6th. The goal for the school is to raise \$15,000! Please see our website for more details, and help your children participate in this important event! All funds donated contribute toward the family fundraising obligation. Be sure to check with your employer about a possible company match!

### Reminders

**Lunch Accounts** - Please check your child's lunch account on Educate, and add funds when it is low. Some accounts are already showing a negative balance. Money can be added by sending cash/check to the office, or online [here](#).

**Fundraising** - You can easily raise money towards your school fundraising obligation of \$275 per child by participating in the RaiseRight program (previously known as Scrip). Since everyone buys groceries, gas, and clothing, this is a win win, and brings back variable percentages of those purchases right to our school. There are 750+ brands to choose from. Plus, you can pick from eGift cards, physical gift cards, and reloading funds digitally onto existing physical gift cards. Gift cards from RaiseRight have no activation fees and they never expire. Just click this [link](#) to sign up!

**Car Dismissal** - Please remember to enter our school parking lot through the smaller ball field parking lot

on the east side of our property. This allows cars to form a line without being in the road. Also, to keep the car line moving efficiently, please do not park in the car line. Please pull into a parking spot to finish buckling/securing small children. Parents should pull up to the yellow line in order to allow several cars to load at once. Thank you for your assistance with this!

### **Mrs. B.'s Bulletin**

Teachers are looking forward to speaking with parents tomorrow night at Curriculum Night. I am always excited to have parents and families in the building because I believe that the work we do is exceptional, and I like to show it off. Teachers appreciate this opportunity to give a framework for the year and partner with parents to best help each child. I hope to see many parents and caregivers!

We have several opportunities coming up for families to volunteer and fulfill their 25 hour obligation. The Walk-A-Thon, Octoberfest, and Trunk or Treat are all events that can use extra hands. There will be a sign-up table at Curriculum Night for families to sign up for a variety of events and shifts. Please do stop to let us know how you can help!
